[12:20] <mecasheep> so what was the big annoiuncement yesterday?

[12:20] <wouldyoulikesomeballz> nudnik tax attorney

[12:21] <mecasheep> what?

[12:24] <bethemadeagle> he has to pay thousands of dollars in tax

[12:24] <bethemadeagle> his tax attorney fucked up

[12:25] <mecasheep> oh shit

[12:25] <mecasheep> why did he need an attorney in the first place?

[12:25] <bethemadeagle> and phil might lose his house now

[12:25] <mecasheep> poor guy

[12:25] <bethemadeagle> for his taxes cause he cant do them himself so he needed one to do his taxes

[12:26] <mecasheep> i hope he'll get out of this situation good luck for him

[12:26] <bethemadeagle> and some troll signed him up for every free business magazine and made it seem that he has his own business

[12:26] <bethemadeagle> and that is the big ta he has to pay cause of that

[12:29] <bethemadeagle> i just hope it isnt that much of a ttax and that the pay plan works out

[12:29] <darksydephil> yeah i have no idea yet

[12:29] <darksydephil> the tax attorney was assuming it would be around \$5k but he has no idea what the interest, fees etc will end up being and if he can get them waived, and also if he gets on a payment plan for how long it would be

[12:30] <darksydephil> so....yeah

[12:49] <bionich00t> One thing I thought of Phil to solve your problems, why not rent out your spare room and ask for an upfront payment for the next few months? I know you might not find someone willing to do that, but that'd get you a few thousand easily if you could find someone willing to do it for less than normal rent.

[13:35] <divanerasmus> hello @everyone Hi @DarksydePhil

[13:35] <blue_blur64> is that a separate ability Phil?

[13:35] <bionich00t> True, he's just like the other assassins but considering blacks were kings in the Egyptian period he should be smarter too. Mozart and Shakespeare are black too don't listen to white historian lies.

[13:36] <skooma_dealer> OY VEY

[13:36] <tormentedmayhem17> AC1 was decent, but 2 improved on everything wrong with the first.

[13:36] <majinboo3> The craziest game i think to 100 % is Baiten Kaitos You'll have to literally grind 100s of hours on bullshit

[13:36] <sirnoble> That's a skill you can get

[13:36] <bionich00t> Baten Kaitos 100% is 350 hours lol

[13:36] <bionich00t> I wish Phil would play Baten Kaitos great underrated gem

[13:36] <encelor> why is it that cucks with white guilt see black people so slow that the white guilts have to defend them?

[13:36] <skooma_dealer> quick poll chat: have you ever impregnated a woman?

[13:36] <encelor> so low*

[13:37] <doctormaul> @bionich00t I have that GameCube game. It's awesome

[13:37] <bionich00t> because racism = power + IQ. White people have all the power and much higher IQ than blacks so they're racist.

[13:37] <encelor> are they saying black people are not able to def them self?

[13:37] <bionich00t> Baten Kaitos is the best JRPG on GCN easily. Never played the sequel but it seems good

[13:37] <skooma_dealer> they have dex but no int LUL

[13:37] <majinboo3> It sucks that Phil viewquit Tales of Symphonia he was just getting to the interesting part

[13:37] <djruno1> wow. he unlocks the door and also unties them in the process

[13:37] <bionich00t> Blacks got all the STR and AGI but no INT. Racist whites got all the INT.

[13:37] <katexo234> poor bethe

[13:37] <skooma_dealer> people hating shouldnt matter if you like Eagle :)

[13:37] <chairmancaleb> Best Assassin's Creed since Black Flag...

[13:39] <majinboo3> Next thing you know AC is gonna turn into a visual novel

[13:39] <bethemadeagle> bionic i wasnt really complaining i was just saying but yeah people could get offended though

[13:39] <encelor> @blue_blur64 and that people with white guilt threat black people like they are incapable to defend them self

[13:39] <bionich00t> It must be stated though: Pharoahs were BLack, not white or light skinned. Pharoahs and Mozart and Shakespeare were BLACK brothers. Don't believe the white wash

[13:42] <bionich00t> Yes they were proven by the Black Israelites to be black. But I'm not 100% sure it'd make sense though. Lincoln may have been black too.

[13:42] <majinboo3> The only good roman is a dead roman

[13:42] <bionich00t> Phil should really play Valkyria Chronicles a classic.

[13:42] <bethemadeagle> and if facebook said so then it probably isnt true

[13:43] <blue_blur64> next year doctor, on PS4, Switch, and Xbox One

[13:43] <bionich00t> Black Lives Matter showed tons of evidence of Mozart being black. You can hear the jungle rhythms in his music. It sounds like African folk music.

[13:58] <bethemadeagle> well religion started silent and im trying to calm it nicely
[13:58] <barantos> I would be happy to fuck up LTG

[13:58] <barantos> one kick to those chicken legs and he would be in a wheelchair for life
[13:59] <encelor> @Barantos only advantage you'll have is his chicken legs being weak
[13:59] <encelor> LUL
[13:59] <skooma_dealer> @Bionich00t OY VEY
[13:59] <bethemadeagle> ltg*
[13:59] <chairmancaleb> Guy might not be very likeable, but I doubt many people could legitiamtely beat him up.

[13:59] <barantos> he doesn't lift that much either
[13:59] <chairmancaleb> Here at least.
[13:59] <optionalsuperboss> KoreWaSugoi hes low tier tho :thinking:

[13:59] <karlis_k> Off the rails? Better bring it back with Ruby then ...
[13:59] <bethemadeagle> i bet he is getting a compass
[13:59] <bionich00t> LTG believes that Jesus was black too, he talked about it on stream. He also agrees with BLM on Mozart being black and Abraham Lincoln being a nÃ-gga, You got to admit if LTG and BLM agree on something it's likely to be true
[13:59] <skooma_dealer> what a lovely language
[13:59] <korewasugoi> @Barantos i can bet, Ltg can lift more than you

[14:00] <blue_blur64> But seriously guys, can we just get off this topic?
[14:00] <encelor> makes you wonder

[14:00] <vtagemax> i prefer ezio and edward
[14:01] <korewasugoi> @Barantos go to his twitter
[14:01] <hindae> LTG uses free weights because they remind him of himself
[14:01] <impstardestroyer> Ezio is way overrated tbh
[14:01] <blue_blur64> Anything else, I don't really care. I'm not one for constant shitting on other people
[14:01] <encelor> now i wanna see barantos fight LTG

[14:02] <impstardestroyer> Best assassins: Altair > Bayek > Edward > Connor > Ezio > Arno
[14:02] <tormentedmayhem17> He's not a bad character imo, not as bad as Connor. Not to mention he started the Creed, Edward didn't even care for the Creed.
[14:02] <skooma_dealer> those are real too
[14:02] <encelor> i heard there used to be 3 titted humanoids back in the day but natural selection screwed them over
[14:02] <encelor> such shame they dieded
[14:02] <thedoctor5437> @BetheMadEagle wouldnt it be reasonable for bayek to be the best since he is one of the first assassins
[14:02] <korewasugoi> hello my fellow african americans
[14:03] <karlis_k> I propose we call rhinos "whinos" from now on
[14:03] <encelor> @KoreWaSugoi hello my 30% white dude
[14:03] <bionich00t> You know what's really surprising? They did a test recently and found white people have more in common in terms of DNA with chimpanzees than African Americans.
